Govindasa PU College

- Major in **Computer Science**.

Mangaluru, India

Jun 2019 - May 2021

SSLC (Class 10th)

Delhi Public School

Mangaluru, India

Mar 2018 - Apr 2019

Internships

Zephyr Technologies

Web Developer Intern

On-site

Oct 2023 - Nov 2023

- Successfully completed an internship focusing on web development. Worked on a project that enhanced my front-end development skills, involving HTML, CSS, JavaScript, and responsive design techniques.
- Gained hands-on experience with modern web development tools and frameworks, contributing to the development of user-friendly and visually appealing web interfaces.

Skills

Languages C/C++|Python|Java|SQL

Frameworks/Tools HTML/CSS | JavaScript|React | MongoDB | Git | Linux|Tailwind CSS |TKinter

Projects

Portfolio

2024

-React|Tailwind CSS

- Developed a responsive portfolio website using React and Tailwind CSS showcasing projects and skills. Utilized modern design principles to create an engaging user experience, demonstrating proficiency in front-end development.

Blood Management System using Tkinter

2023

-Tkinter|MySQL

- Developed a comprehensive Blood Management System as part of a database management project, utilizing Python's Tkinter library for the graphical user interface.

Art Gallery

2023

-HTML,CSS,Javascript,PHP

- Designed and developed an Art Gallery website using HTML, CSS, JavaScript, and PHP.
- Implemented dynamic features to showcase artwork, enhancing user engagement and visual appeal.

WeatherWave

2024

-React

- Designed and developed a responsive weather-app website using React and the Open-Meteo API
- This website displays real-time weather data, temperature, and wind speed for multiple countries.

Certificates

Salesforce Administrator
